5. Equal Employment Opportunity. In connection with the carrying out of this project, the contractor shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, disability, age or marital status. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, religion, color, sex or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other compensation; and selection for training, including apprenticeship.

In addition to the monthly statement a running balance of the repayment shall be kept by the Contractor applying the accrued repayment to the original capital investment, indicating the remaining balance.

- 18.1 The County will process security clearance and notification of any denials to Contractor within two (2) working days of notification by contractor, including all required personnel information (i.e., complete name, date of birth, race and sex).
